

Dear Homeowner,

Fundraiser Roofing has partnered with **Pink Peppermint Project** to raise **40K** for our ***Glam Conference*** campaign in October.

Fundraiser Roofing is participating by giving homeowners a free geo roof inspection. If they find damage to your roof and replace it, they will make a donation to Pink Peppermint Project.

**Proceeds will go toward: bringing beauty and inspiration to women walking through breast cancer.**

Will you help us by getting your roof analysis & sharing with 5 other homeowners?

Just complete the certificate below and share with 5 homeowners so we can reach our goal.

Respectfully,

**Shantaquilette Carter**
